

Dear Friends

School Reopens ☺

School re-opened on the 4th June 2008 with our usual celebrations ☺

A cake was cut by Mrs June, our senior most teacher and the one who has inspired a lot of our children to consider taking up teaching as a profession.

All the class teachers ensured that the children had a whale of a time.

Our children LOVE coming to school. Absenteeism is very less compared to other schools with similar economic background.

Environmental Day with TAJ Fisherman's Cove

Fisherman's Cove of the Taj group of Hotels conducted a colouring and drawing competition at our school on the World Environmental Day - 5th June 2008.

Each child was provided with colouring material and asked to show their concern towards our environment. CO2 - kick the habit – towards a low carbon economy being the theme for the year.

The whole school was invited and everybody had a great time watching the performance...

Yi Workshop

The "Young Indians" who had provided our school with learning resources conducted a workshop on active learning methods using the resources they had provided.

Thanks to Yi, we have a whole lot of resources to provide better ways of imparting knowledge.

School Building Inauguration

We had a grand opening ceremony for our School building ☺

Mr Madhavan – Cine Actor was our honoured Chief Guest and he captured everyone's heart with his charm and smile. The children loved him.

Our children put up a light classical dance, welcome dance and a karate programme.

The event was well covered by leading newspapers and television channels.
